Subject: RE: EPA Work - Red and Bonita / Gold King mines: Land Use Permit Information

Hi Steve,

Thank you for providing the land use applications for the work at the Gold King and Red/Bonita this July. The information provided is useful. A couple of questions:

- 1) Do you have Site Maps that identify the two (2) sites and work area boundaries?
- 2) Anticipated hours of operation ("x" days/week between ____am-____pm).
- 3) How large are the work crews/number of vehicles?
- 4) Any large/oversize vehicles and/or staging areas required?

I will prepare the Land Use Permits after July 4th in time for the proposed scope of work to begin.

Let men know if you have any questions and I will do the same.

Thank you, Steve. We look forward to working with you on the successful completion of these projects in San Juan County.

Regards,

Bob
